

# PALLET JACK SCALE

NTEP CC 18-074

EASY TO USE  
INDICATOR WITH  
BUILT IN PRINTER

Carbon Steel

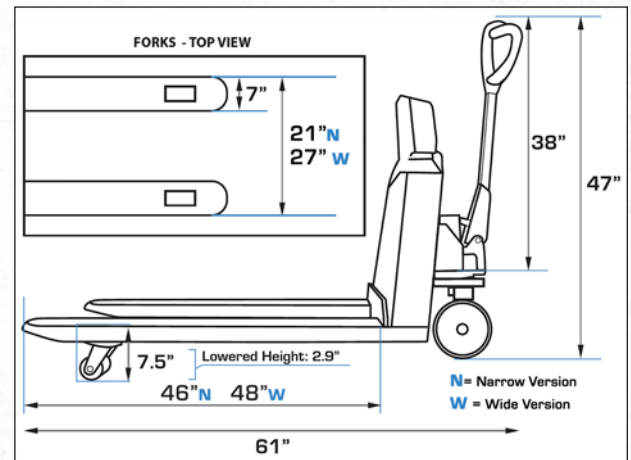

Stainless Steel

Having a scale built into your pallet jack will increase efficiency and productivity by eliminating the need to place your pallet on a scale to weigh, saving time and money. Tufner's Pallet Jacks are rugged, precise, efficient and cost effective. They are the ideal solution for mobile weighing.

## FEATURES

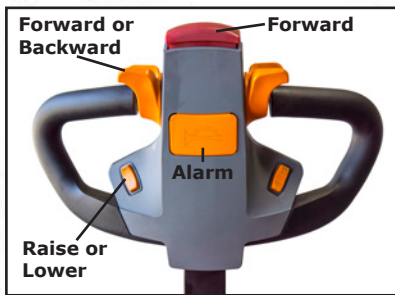

- Unique and user friendly design
- Reinforced construction for heavy and long use
- Effortless steering on flat or uneven surfaces
- NTEP approved 3,000 x 1 lb and 5,000 x 2 lbs
- Super low 2.9" profile with tapered fronts for easy pallet entrance
- Ergonomic full function pump handle for easy lifting, steering and weighing
- 120V rechargeable battery (operates up to 60 hours)
- Includes a built-in LCD display and optional built-in thermal printer (P model)
- Units: lb and kg switchable
- Single wheel design helps prevent jack from getting stuck or breaking your pallet compared to double wheeled designs
- The Small raised wheel on the inside assists the user when rolling onto pallet
